SONORLITE

SONORLITE is a great new breakthrough aimed at drummers who insist on the ultimate sound qualities combined with a light, strong, compact construction. A new choice – an alternative that is more than just another important innovation.

For full details ask for our new full colour brochure.

Drums for Parade and Marching

The new, long awaited SONOR marching drums set new standards in sound and workmanship. Our long experience in making marching drums has been applied to the development of these instruments. The program consists of parade drums with wood shells in two sizes, metal shell parade drum, bass drums in two sizes, as well as appropriate holders and beaters. All drums are available in three colour finishes: white, blue, and white with red and blue stripes.

- M 1114 Parade Drum 14" x 12"
- M 1014 Parade Drum 14" x 10"
- D 454M Snare Drum 14" x 5 3/4"
- M 1128 Bass Drum 28" x 14"
- M 1028 Bass Drum 28" x 12"
- ZM 6000 Carrying Bar
- ZM 6001 Leg Rest, complete
- ZM 6002 Small Leg Rest, complete
- ZM 6003 Cymbal Holder for Bass Drums
- Sch 80 Marching Bass Drum Beater
- Z 5606 Pro Mark Drum Sticks 5 B

"Spiel mit mir"
Playalong Ideas for the
Family and Infant School

This new collection is specially designed for musical education of young children, in school and at home. The instruments are carefully made under the guidance of educational experts, and suit the special needs of the younger age group. The "Spiel mit mir" range includes alto xylophone, soprano glockenspiel, hand drums, tambourines, stick jingles, claves, wood blocks, triangle, suspended cymbal, finger cymbal, and

beaters. All instruments are available as a complete package or as single items.

New SONOR Mallets for Music Education and Therapy

New Sch 109 and Sch 110 mallets are both designed for glockenspiels. They have a new type of beater top made of hard acrylic material to give a richer and more brilliant sound. For music therapy we designed a new handle for mallets to give the hand-capped more security while playing. Following types of SONOR mallets are available with the new

handle: Sch 1, Sch 2, Sch 5, Sch 50, Sch 6, Sch 7, Sch 9, Sch 10, Sch 11, Sch 17. When ordering please, indicate the letter T after the item number. (For example: Sch 9 T)

Multi Clamp for Hardware and Accessories

Multi Clamp is a most versatile mounting system consisting of two adjustable clamping devices. It is ruggedly built and allows mounting combinations with cymbal stands, microphone stands, and tom tom holders. Since its clamping devices are adjustable to the various

tube diameters Multi Clamp offers an almost unlimited number of applications.
