Delite Series

•The Sonor Delite Series is designed for the professional drummer with clear ideas about equipment, features and sounds. These very ideas and experiences, along with the broad expertise at Sonor, are our main focus as we continue to develop and steadily optimise the Sonor Delite Series. The shell design, with its extremely thin and consequently very light vintage maple shells, make Sonor Delite sets an extremely welcome tour companion, a companion no drummers would wish to go without.

Delite Series

•Features:

- Vintage Maple shells with Dynamic Edge
- 4-ply plus 2-ply Dynamic Edge reinforcement rings
- T.A.R. Tom Mounting System
- Bass Drum Claws with rubber underlay
- Bass Drum Spurs can be converted from rubber to metal. With APS system
- Bass Drums Legs with Memory Lock
- Tuning Lugs with integrated TuneSafe
- Bass Drum Bracket available as an option
- Bass Drum Bracket with APS system

Artist Series Snare Drums

- THE VERY BEST SNARES
- The exclusive Sonor Artist Snare Series combines the experience of the most professional drummers in the world with the extensive percussion-instrument-making expertise of Sonor. This co-operative arrangement has produced unparalleled snare drum models that measure up to even the most stringent demands placed on this instrument.

Artist Series Snare Drums

- **AS 07 1205 AD in Art Design**
- A 12-ply birch shell with 12" x 5" size gives this snare drum a crisp, bright sound with plenty of attack. Whether using it as the main drum or as a side snare drum, the high pitched rim shots and sensitive response of the stainless steel snares ensure a perfect sound performance. Perfect also for the short breaks in drum'n bass, hip hop or electronic pop.
- 12" x 5" Artist Snare Drum
- Art Design Finish,
- 12-ply Birch shell
- high gloss laquer finish
- 16 tension rods
- TuneSafe™
- throw-off snare action
- chrome plated fittings with finish protectors
- 18 steel wires

Artist Series Snare Drums

- **AS 07 1305 EA in 9 Earth**
- The main feature of this Artist Snare Drum is the massive, 27-layered (and hence 28 mm thick) beechwood shell; this gives the snare a particularly substantial, 'hefty' sound. It is deep, with lots of 'stomach', and yet transparent at the same time. Very well suited for funk, fusion, jungle or electronic beats. The fittings in fine gold finish, combined with the highly lustrous lacquer finish, are a real eye-catcher.
- 13" x 5" Artist Snare Drum, Earth Finish
- 27-ply Beech shell,
- high gloss lacquer finish
- 16 tension rods
- TuneSafe™
- throw-off snare action
- gold plated fittings with finish protectors
- 18 brass wires

Artist Series Snare Drums

- **AS 07 1405 MB** in Scandinavian Birch
- With its thin Vintage Maple Shell, this Artist Snare Drum offers excellent resonance and a clear, transparent sound. The classic Scandinavian Birch finish and the golden fittings give the drum an extraordinarily fine-finished look. The very warm and rich sound characteristics make it the ideal snare drum for a very wide variety of musical styles.
- 14" x 5" Artist Snare Drum
- Scandinavian Birch
- 6-ply Vintage Maple shell
- matt laquer finish
- single flange hoops
- 20 tension rods
- Tune-Safe
- throw-off snare action
- gold plated fittings with protectors
- 18 bronze wires

Artist Series Snare Drums

- **AS 07 1406 CM** in Cottonwood Maple
- Perfect as an all-round snare drum this model features a 9-ply maple light shell, a unique CM Cottonwood Satin finish and die-cast chrome plated rims. Producing a warm and full tone with a hc frequency range it also offers a very clear attack sound and sensitive response due to the stainless steel snares.
- 14" x 6" Artist Snare Drum
- Cottonwood Finish
- 9-ply Medium Maple shell
- matt lacquer finish
- die-cast hoops
- 20 tension rods
- TuneSafe™
- Throw-off snare action
- Chrome plated fittings with finish protectors
- 24 steel wires

Artist Series Snare Drums

- **AS 07 1405 BG Brass Gold**
- The best choice for drummers looking for ex-plosive, bright sound characteristics with a high level of force and emphatically soft shading. A broad spectrum, with sensitive response for all playing dynamics, are other trademarks of this snare drum. All of the fittings are in gold finish, giving the drum an exclusive look.
- 14" x 5" Artist Snare Drum Brass
- Brass shell
- protection lacquer
- die-cast hoops
- 20 tension rods
- TuneSafe™
- throw-off snare action
- gold plated fittings with finish protectors
- 24 brass wires

Artist Series Snare Drums

- **AS 07 1405 SB Steel Black**
- The heart of this Artist Snare Drum is a chromium-plated shell of stainless steel. A perfect snare drum for studio work, and for rock and funk drummers as well. Excellent rim shot sounds, a rich tone, and a broad spectrum of medium-range and high pitches are the distinguishing features of this instrument. The shell is coated with a special protective lacquer, and the rims and fittings come in fine black plating finish.
- 14" x 5" Artist Snare Drum
- Chrome Steel shell
- protection lacquer
- 20 tension rods
- TuneSafe™
- throw-off snare action
- black plated fittings with finish protectors
- 2 x 8 steel wires

Artist Series Snare Drums

- **AS 07 1406 BRB Bronze Black**
- The heavyweight of the Artist Series is made of a cast bronze shell with 6" depth. Similar to cymbal making the shell is made of one piece of bronze to ensure best resonance and full projection. Offering a maximum of sound volume this drum is best suited for any musical situation that requires a cutting, loud and powerful sound
- 14" x 6" Artist Snare Drum
- Bronze, Bronze shell
- 3 mm shell thickness
- protection lacquer
- die-cast hoops
- 20 tension rods
- TuneSafe™
- throw-off snare action
- black plated fittings with finish protectors
- 24 bronze wires

Artist Series Snare Drums

- AS 07 1307 AM in Amboina
- The latest addition to the Artist Snare Programme is the highly select 13" x 7" Amboina Snare. Constructed using a thin Vintage Maple Shell, this snare drum embodies the full perfection found in Sonor percussion-instrument construction. The sound spectrum ranges from sensitive moments to brute force, characterizing this all-rounder with a soft, warm tone emphasising lower pitches while providing balanced mediums and highs. With one of the finest and highest-quality wooden surfaces, Amboina "Maybach" veneer, and the golden fittings, this snare drum is a breathtaking eye-catcher.
- 13" x 7" Artist Snare Drum
- Amboina Finish
- 6-ply Vintage Maple shell,
- high gloss laquer finish
- 16 tension rods
- TuneSafe™
- throw-off snare action
- gold plated fittings with finish protectors
- 18 brass wires

SQ² Drum System represents Sonor's extensive know-how in drum making and sound design. Building upon more than 130 years of manufacturing experience this new range of instruments offers the ultimate in Sonor craftsmanship. It is the new flagship within the Sonor drum program.

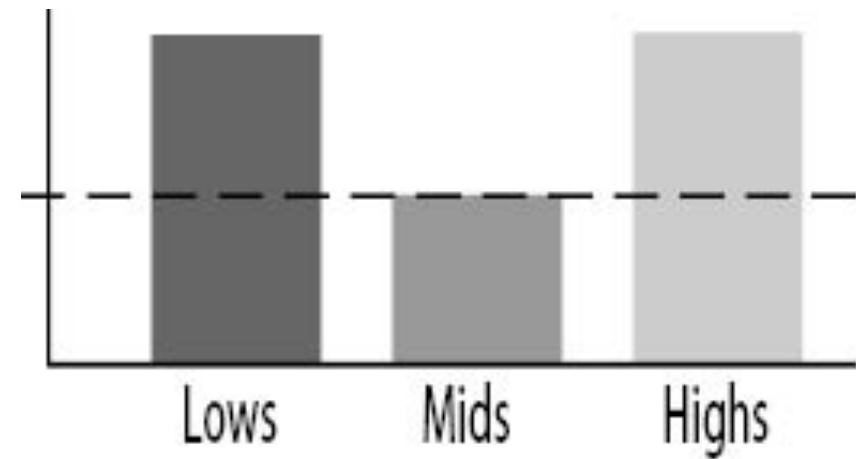

- Maple
- Maple shells deliver a mellow, warm and very balanced round tone providing special low frequency punch and well balanced mids and highs.

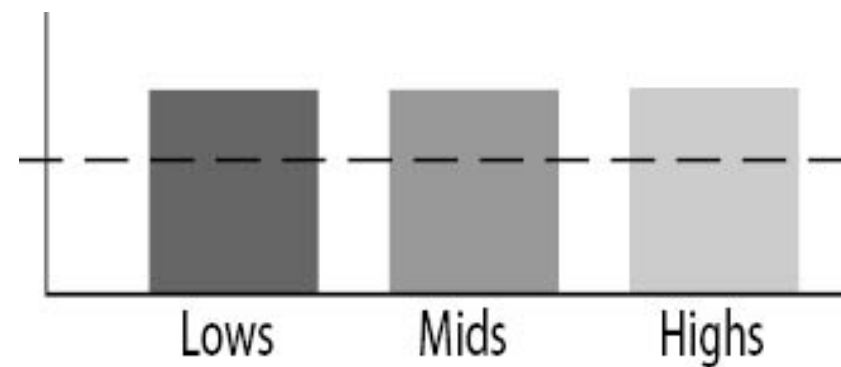

- Birch
- Birch has an aggressive, definite tone with great projection. Low and high frequencies give great clarity with a balanced mid range.

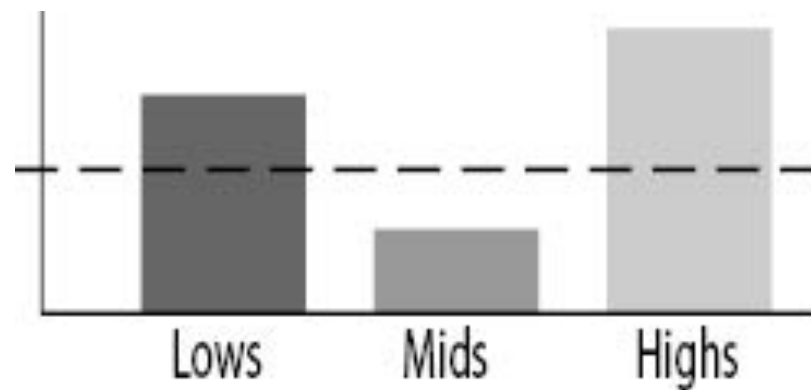

- Beech
- Beech offers a full, warm tone with perfectly balanced lows, mids and highs. Great sound projection and power.

- Acrylic
- Acrylic shells have a full-bodied tone with great presence and powerful projection. Lows and highs more dominant with reduced mid range frequencies.

- **Vintage Shell**
- consisting of 2 x 2mms plies plus 2mms Dynamic Edge (snare drums, tom toms, floor toms). Bass drum shells are made of 3 x 2mms plies plus 2mms Dynamic Edge.
- Finish: Solid lacquer, Premium veneer only outside, genuine wood veneer only outside

- **Thin Shell**
- consisting of 2mms + 1mm + 2mms plies (snare drums, tom toms, floor toms)
- Bass drum shells consisting of 3 x 2mms plies.
- Finish: Solid lacquer, Premium veneer outside and inside, genuine wood veneer outside and inside

- **Medium Shell**
- consisting of 3 x 2mms plies (bass drums, snare drums, tom toms, floor toms)
- Finish: Solid lacquer, Premium veneer outside and inside, genuine wood veneer outside and inside

- **Heavy Shell**
- consisting of 4 x 2mms plies (bass drums, snare drums, tom toms, floor toms)
- Finish: Solid lacquer, Premium veneer outside and inside, genuine wood veneer outside and inside

- **Mounts**
- New lug with integrated Tune Safe and APS. All bass drums, tom toms, floor toms and snare drums feature this new lug.
- New tension screws with square head and 7/32" precision thread. This allows for a much more precise tuning process for snare drums, tom toms and floor toms. Slotted screws with 7/32" precision thread are available as optional accessories.

- Bass drum claws with rubber insulator and Easy Grip head (without Tune Safe since it is integrated now into the lug) offer easier handling.
- H-bar with prism clamp, APS and AcoustiGate. The new H-Bar braces are now weight optimized. The new prism clamp is now closed at the top, allowing the hexagonal tom arm to be automatically pushed through to the end for solid hold with no need of memory locks at the tom arm.
- Sonor prism clamp with APS for floor tom legs and bass drum spurs with memory lock.
